

## INSIGNIA SEMINARS & CONFERENCE ORGANIZERS LLC

### TECHNICAL TRAINING PLAN

**Note:** All our courses can be conducted On Site/In-House/or in Dubai, Abu Dhabi, Amman, Istanbul, Kuala Lumpur or as per client's request.

No.	Course Title	Duration
<b>Petroleum, Reservoir &amp; Well Engineering Training Programs</b>		
PE001	Advanced Completion Technology	5 Days
PE002	Advanced Drilling Practices & Technologies	5 Days
PE003	Advanced hydraulic Fracturing	5 Days
PE004	Advanced Reservoir Engineering	5 Days
PE005	Advanced Seismic Stratigraphy: Workshop	5 Days
PE006	Advanced Under Balanced Well Design	5 Days
PE007	Applied Rock Mechanics	5 Days
PE008	Artificial Lift Systems and Optimization Technology	5 Days
PE009	Advanced Cementing Practices - Cementing II	5 Days
PE010	Advanced Completion Technology: Problems and Practical Solutions	5 Days
PE011	Artificial Lift Systems and Optimization Technology	5 Days
PE012	Basic Drilling, Completion and Workover Operations & Technology	5 Days
PE013	Basic Geophysics	5 Days
PE014	Basic Petroleum Economics	5 Days
PE015	Basic Petroleum Engineering Practices	5 Days
PE016	Basic Petroleum Geology	5 Days
PE017	Basic Reservoir Simulation	5 Days
PE018	Basic Exploration, Drilling & Completion Operations & Technologies	5 Days

PE019	<b>Best Practice in Sewage and Industrial Waste Water Treatment &amp; Environmental Protection</b>	<b>5 Days</b>
PE020	<b>Cased-Hole &amp; Open-Hole Formation Evaluation</b>	<b>5 Days</b>
PE021	<b>Casing and Cementing</b>	<b>5 Days</b>
PE022	<b>Casing Design and Application</b>	<b>5 Days</b>
PE023	<b>Coring and Core Analysis</b>	<b>5 Days</b>
PE024	<b>Coiled Tubing Technology</b>	<b>5 Days</b>
PE025	<b>Directional, Horizontal, and Multilateral Drilling</b>	<b>5 Days</b>
PE026	<b>Directional Drilling</b>	<b>5 Days</b>
PE027	<b>Down hole Remediation Practices for Oil and Gas Wells</b>	<b>5 Days</b>
PE028	<b>Drilling for Non-drilling Specialists</b>	<b>5 Days</b>
PE029	<b>Drilling Problems, Solutions and Techniques</b>	<b>5 Days</b>
PE030	<b>Drilling Operations</b>	<b>5 Days</b>
PE031	<b>Drilling Economics</b>	<b>5 Days</b>
PE032	<b>Drilling Tools and Accessories</b>	<b>5 Days</b>
PE033	<b>Enhanced Oil Recovery ( EOR): Expert's Recommendations</b>	<b>5 Days</b>
PE034	<b>Introduction to Oil &amp; Gas Industry</b>	<b>5 Days</b>
PE035	<b>Petroleum Economics</b>	<b>5 Days</b>
PE036	<b>Well Control and Blow-Out Prevention</b>	<b>5 Days</b>
PE037	<b>Well Log Interpretation and Analysis</b>	<b>5 Days</b>
PE038	<b>Well Completion &amp; Workovers</b>	<b>5 Days</b>
PE039	<b>Well Stimulation: Acidizing &amp; Fracturing</b>	<b>5 Days</b>
PE040	<b>Well Test Design, Analysis &amp; Interpretation</b>	<b>5 Days</b>
