

## INSIGNIA SEMINARS & CONFERENCE ORGANIZERS LLC

### TECHNICAL TRAINING PLAN

**Note:** All our courses can be conducted On Site/In-House/or in Dubai, Abu Dhabi, Amman, Istanbul, Kuala Lumpur or as per client's request.

No.	Course Title	Duration
<b>Process Chemical Engineering Training Programs</b>		
CE001	Advanced Separation Processes	5 Days
CE002	Chemical Engineering for Non Chemical Engineers	5 Days
CE003	Distillation Column Operation, Control & Troubleshooting	5 Days
CE004	Gas Conditioning & Processing Technology	5 Days
CE005	Natural Gas Handling: Processing Treatment Conditioning & Sulphur Recovery	5 Days
CE006	Petrochemical Process Plant Equipment: Installation Operation Maintenance & Troubleshooting	5 Days
CE007	Process Engineering Fundamentals	5 Days
CE008	Process Plant Performance & Efficiency	5 Days
CE009	Process Plant Start-Up Commissioning & Troubleshooting	5 Days
CE010	Process Plant Startup & Shutdown	5 Days
CE011	Process Plant Troubleshooting & Engineering Problem Solving	5 Days
